

U.S EPA EMISSIONS CONTROL WARRANTY STATEMENT

YOUR WARRANTY RIGHTS AND OBLIGATIONS

The U.S Environmental Protection Agency (EPA) and Northern Tool & Equipment Company Inc. are pleased to explain the emissions control system warranty on your 2025 model year small Non-Road Spark Ignition (NRSI) engine/equipment. Northern Tool & Equipment Company, Inc. must warrant the emissions control system on your NRSI engine/equipment for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your NRSI engine/equipment.

Your emission control system may include parts such as the carburetor, fuel tanks, fuel caps, fuel lines, the ignition system, and catalytic converter. Also included may be hoses, belts, S clamps, connectors and other emission-related assemblies.

Where a warrantable condition exists, Northern Tool & Equipment Company Inc. will repair your small off-road engine/equipment at no cost to you including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE

The emissions control system is warranted for two years. If any emissions-related part on your engine/equipment is defective, the part will be repaired or replaced by Northern Tool & Equipment Company Inc.

OWNER'S WARRANTY RESPONSIBILITIES

As the NRSI engine/equipment owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Northern Tool & Equipment Company Inc. recommends that you retain all receipts covering maintenance on your NRSI engine/equipment, but Northern Tool & Equipment Company Inc. cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

As the NRSI engine/equipment owner, you should however be aware that Northern Tool & Equipment Company Inc. may deny your warranty coverage if your NRSI engine/equipment or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

You are responsible for presenting your NRSI engine/equipment to a distribution center or service center authorized by Northern Tool & Equipment Company Inc. as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

DEFECTS WARRANTY COVERAGE

Northern Tool & Equipment Company Inc. warrants to the ultimate purchaser and each subsequent purchaser that the small off-road engine/equipment (NRSI engine/equipment) (1) has been designed, built and equipped so as to conform with all applicable regulations; and (2) is free from defects in materials and workmanship that cause the failure of a warranted part to conform with those regulations as may be applicable to the terms and conditions stated below.

- (a) The warranty period begins on the date the engine/equipment is delivered to an ultimate purchaser or first placed into service. The warranty period is two years.
- (b) Subject to certain conditions and exclusions as stated below, the warranty on emissions related parts is as follows:
 - (1) Any warranted part that is not scheduled for replacement as required maintenance in your **Owner's Manual** is warranted for the warranty period stated above. If the part fails during the period of warranty coverage, the part will be repaired or replaced by Northern Tool & Equipment Company Inc. according to Subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period.
 - (2) Any warranted part that is scheduled only for regular inspection in your **Owner's Manual** is warranted for the warranty period stated above. Any such part repaired or replaced under warranty will be warranted for the remaining warranty period.
 - (3) Any warranted part that is scheduled for replacement as required maintenance in your **Owner's Manual** is warranted for the period of time before the first scheduled replacement date for that part. If the part fails before the first scheduled replacement, the part will be repaired or replaced by Northern Tool & Equipment Company Inc. according to Subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period prior to the first scheduled replacement point for the part.
 - (4) Repair or replacement of any warranted part under the warranty provisions herein must be performed at a warranty station at no charge to the owner.
 - (5) Notwithstanding the provisions herein, warranty services or repair will be provided at all of our distribution centers that are franchised to service the subject engine/equipment.
 - (6) The engine/equipment owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.
 - (7) Northern Tool & Equipment Company Inc. is liable for damages to other engine/equipment components proximately caused by a failure under warranty of any warranted part.
 - (8) Throughout the engine/equipment warranty period stated above, Northern Tool & Equipment Company Inc. will maintain a supply of warranted parts sufficient to meet the expected demand for such parts.

- (9) Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of Northern Tool & Equipment Company Inc.
- (10) Add-on or modified parts that are not exempted by the U.S EPA may not be used. The use of any non-exempted add-on or modified parts by the ultimate purchaser will be grounds for disallowing a warranty claims. Northern Tool & Equipment Company Inc. will not be liable to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.
- (11) The manufacturer issuing the warranty shall provide any documents that describe that manufacturer's warranty procedures or policies within five working days of request by the U.S. EPA.

EMISSION WARRANTY PARTS LIST

The repair or replacement of any warranted part otherwise eligible for warranty coverage may be excluded from such warranty coverage if Northern Tool & Equipment Company Inc. demonstrates that the engine/equipment has been abused, neglected, or improperly maintained, and that such abuse, neglect, or improper maintenance was the direct cause of the need for repair or replacement of the part. That notwithstanding, any adjustment of a component that has a factory installed, and properly operating, adjustment limiting device is still eligible for warranty coverage.
